Dear friends,

Wow! 2016 was a year of highs, lows, and everything in between for the Montana Nonprofit Association!

Changes on our staff team created stress, but propelled us into a period of internal reorganization to position MNA for the future. The skillset on the team we subsequently assembled is extraordinary, including philanthropy, marketing, graphic design, business planning, event planning, governance and leadership, and advocacy. Our team is exceptionally suited to meet the needs of our members; we share a united and deeply held sense of mission on your behalf. We are your team, and we love it every day!

Our 2016 organizational development program brought nonprofit training to rural Montana, particularly with our eastern Montana Kaleidoscope Conference and our management series in Dillon; we partnered with local communities to tour national speakers on evaluation and fund development through the state; we offered a deep dive into nonprofit management and leadership through our four-part Nonprofit Management Series; and, we began a significant revision of our hallmark publication, the Principles and Practices for Nonprofit Excellence in Montana. The MNA Conference had our highest attendance to date with 414 participants.

Membership held strong with 574 nonprofit organizational members and another 70 affiliate members. On the policy front changes to the Department of Labor's overtime and exempt employee regulations were ultimately overturned, but not before many of us upended our personnel policies to accommodate changes we appreciated from a social justice perspective but couldn't afford financially. And then the election. Regardless of affiliation or mission, every nonprofit in the state was impacted by the 2016 election. What a time to be on the frontline of civil society!

Financially, MNA's operations ended the year in the black although, as expected, we spent down several multi-year restricted grants, resulting in decreased net assets. The MNA Board of Directors and staff exited 2016 profoundly thankful for your membership and your extensive and remarkable contributions to Montana's way of life. As your association, we are blessed to provide leadership, offer resources, and give voice to your extraordinary role in Montana's communities large and small. We ask you to stay the course, doing meaningful and necessary work to ensure Montana's vitality now and for future generations. Engage with MNA; call on us to further your endeavors. We've got your back. Thank you for allowing us to be a part of your circle. Many missions, one voice.

A handwritten signature in blue ink that reads "Mary Peterson". To the left of the name is a stylized, cursive flourish.
