

# 2020 Census: Be Counted Today!

---

**IT IS SAFE, QUICK, EASY.**

Help ensure Montana gets our fair share of funding to support schools, highways, healthcare, and more!

To protect the public's health, census workers may not be able to go door-to-door or may be delayed, which means Montanans will be undercounted if you don't act now!

Montana will lose nearly \$20,000 in funding over the next decade for each person not counted.

Luckily, it's never been easier to respond to the census on your own – online or over the phone. Help make sure Montana stays healthy and is counted by completing the census right now.

**Did you know that the US Census Bureau does not mail to PO Boxes? And now their door-to-door efforts will be delayed. It is more important than ever that you respond on your own – you can even complete it using your smartphone! You don't need a census ID. You only need your home address. Make sure Montana is fairly counted!**
