

**Montana Nonprofit Association
2021 Montana Legislature
Pre-Session Report – January 4, 2021**

Introduction

This 2021 Montana Legislative guide and Initial Report is intended to assist Montana Nonprofit Association with navigating the 2021 Montana Legislature. The 67th Legislative Session will be one that is focused on balancing the state budget, health care costs, and Covid-19 related issues. Both the Senate and House are controlled again by Republican majorities. Governor Greg Gianforte (R) is in his inaugural session after winning the 2020 Governor election against Lieutenant Governor Mike Cooney. To date there are over 3,000 bill draft requests in and we will be supporting, opposing or tracking legislation for you with our team at Crowley Fleck. The 2021 Legislative Session will last from January 4 - May 1, 2021. This report summarizes information we hope you find useful during this Legislative Session. We look forward to working with you on legislative matters and appreciate your feedback on how we can service your legislative needs as efficiently as possible.

This report lists the Crowley Fleck team of lobbyists and legislative intern staff. Background information on the lobbyists are available at www.crowleyfleck.com. This report includes important legislative phone numbers.

You will find useful information on how to track bills of interest in the 2021 Legislative Session, how to view the Legislative Session online, and how testify via zoom.

We also included a list of the legislative committees and contact information for the members of the House of Representatives and Senate.

Thank you for the opportunity to represent you at the 2021 Montana Legislative Session.

Chief Clerk Carolyn Tschida.....444-4819

Crowley Fleck PLLP Legislation Tracking Guide

We will monitor bills of interest for you with our team at Crowley Fleck through the State's LAWS website. We will notify you, primarily by e-mail, whenever any action has been taken and, depending on your needs, an individualized weekly bill status report will also be sent by e-mail every Wednesday.

The following link: [http://laws.leg.mt.gov/legprd/LAW0200W\\$.Startup](http://laws.leg.mt.gov/legprd/LAW0200W$.Startup) takes you to the State's LAWS website that has a variety of information about the 2021 Session. At this website, you can find information about the bill you are interested in, which includes: Bill Actions; Sponsors; Subjects; Additional bill Information; and Section Effective Dates. You can also access the current bill text in either HTML or PDF form. The PDF form allows you to view the bill with line numbers. If the bill has an impact on the Montana State General Fund there will also be a link to a Fiscal Note which shows the financial impact of the bill, which is prepared by the Governor's Budget Office.

With the current impact of Covid-19, committee hearings will be open to the public on a limited basis. Bill Hearings sessions will be conducted via zoom and in person. You will be able to view bill hearings and floor sessions or watch archived previous actions at <http://sg001-harmony.sliq.net/00309/Harmony> for bill hearings. For more information, please visit <https://leg.mt.gov/audio-video/>.

Please contact us with any legislative questions or how to access your individual bill preference list on the State's LAWS website.

New features include an ability to upload written testimony to a committee or request a link to testify remotely at a bill hearing. This is available for any bill that is scheduled for hearing. Testimony must be submitted by noon the day before the hearing to allow dissemination of the information to legislators and others. The remote testimony feature debuts with the old standbys of sending an email, leaving a phone message, and traditional mail.

For more information, go to the Montana Legislature's Homepage leg.mt.gov and for links to:

- more information on remote participation
- the form to request to testify or upload your documents
- the web messaging form
- Bill Search, Legislator Search, Session Information, and Revenue and Budget Information
- where to click to Watch/Listen to all meetings.
