

## MONTANA NONPROFIT ASSOCIATION

Montana's vitality and livability depend on a thriving nonprofit sector. Montana Nonprofit Association's mission is to provide leadership for Montana's nonprofit sector and partner with charitable nonprofits to promote a sustained, networked, and influential sector. Our programs and services are entirely focused on giving Montana's nonprofits the best possible operating environment for mission achievement.

**MNA** has almost 650 charitable nonprofit members who address a broad array of missions, come from all four corners of the state, and range in size from the smallest all-volunteer nonprofits to the largest organizations in Montana. Since our founding in 2001, MNA has become the go-to for information, resources, training/education, and networking opportunities for Montana's nonprofit community.

Nonprofit organizations join MNA for many different reasons depending on size, age, and individual organizational needs. For many smaller nonprofits, recouping their dues through MNA's cost-savings programs is paramount. Larger organizations value MNA's public policy and advocacy work at the national and state levels. Whatever the catalyst for joining, we believe our members are stronger together.

Being a member of Montana Nonprofit Association gives you access to a wealth of resources. Our expertise runs deep and our ceaseless support bolsters the strength of the nonprofit sector in Montana.
