

MT

SUI

STATE UNEMPLOYMENT INSURANCE

FACT SHEET

TAXABLE WAGE BASE ¹

SUI taxes are *paid on the first \$38,100 of wages (up from \$35,300)* an employee earns in calendar year 2022 in Montana.

\$38,100

2022 UNEMPLOYMENT TAX CLOSTS ²

Montana employers' total unemployment tax rates can range from 0.1300% to 6.3000%. This translates into a *per-employee SUI tax cost* of \$50 to \$2,400 in 2022 (\$38,100 wage base x 6.20%).

\$50-\$2,400

A SINGLE CLAIM ³

A claimant can collect up to 28 weeks of unemployment in Montana. Benefit amounts range from \$169 up to \$618 per week, therefore a single full 28 week claim can range from \$4,732 up to \$17,304.

\$17,304

Whether you are looking to lower unemployment costs, minimize claim liability, or simplify other aspects of the employment life cycle such as recruiting or developing staff, First Nonprofit (FNP) may have the solutions your organization needs. Visit our website or contact **Cecilia Piazza** to request a free, no obligation cost savings evaluation. **cpiazza@firstnonprofit.com** **(312) 728-9962**
